

# Cria

## Lifestyle package

### Added Bonuses

- Free animal health plan that is specific to the livestock animals present on the farm
- 5% discount on any ambulatory call outs during the season for which the cria package is used
- Free demonstration of how to handle and medicate animals during visits.

\* Faecal egg count to check worm burdens.

### Terms and Conditions:

Discounts for vet visits that are part of the Franklin Vets Lifestyle Healthcare Package are only for those animals signed up to the packages. Payment for the Lifestyle Healthcare Package is due prior to the first visit.

Termination of the Lifestyle Healthcare Packages are at the discretion of Franklin Vets.
